Also: On You Tube 2 parishes are recording their children's liturgy - St. Anselm's and St Joseph's.

SUPPORT FOR THE ELDERLY AND VULNERABLE

Many parishioners have expressed a willingness to assist in supporting those within our parish community who may need extra help in the coming weeks and months. If you are aware of someone who lives alone and/or who may need to self-isolate please do keep in touch with them by telephone to ensure that they are alright. The SVP are planning to coordinate shopping support by asking those of you who are medically fit, well and under 70 years of age, to consider volunteering to have your names and telephone numbers added to a list of volunteers. Those who need support will then be able to access it by calling the SVP telephone number. If you would like to help with this, please email the Parish Office at info@sacred-heart.co.uk You will need to provide your name, telephone number and email address. This is certainly a time to take up the challenge of the St Vincent de Paul Society to 'Turn concern into action.'

If you are in need of help with shopping or collection of prescriptions etc, concerned about how you will manage, or if you would just like to be in touch by telephone, please call the SVP telephone number on : 07599 890043

SURREY MATTERS

We have set up a new community helpline to help those that need support during the pandemic. Community Helpline number 0300 200 1008 (Monday-Friday, 8am-6pm & Saturday-Sunday 10am-2pm)

This Community Helpline is here for two things:

- To help direct residents who need support, such as picking up shopping, prescription collections or having someone who can be a telephone friend, and to services who can help.
- To provide advice on where to register your offer of help to support your community.

For more information visit the Coronavirus Community Support website. surreycc.gov.uk/coronavirus

MASS INTENTIONS

As Sunday Masses are currently limited to one (and must be for the People of the Parish), all Sunday Mass intentions will be moved to the next available Mass. Please accept our apologies if you are affected by this.

Your Prayers are requested for the following people who are ill or housebound: Jane Hill; Jimmy Mullen; Eileen, Mel & Rose Lattimore; Bryan Smith; John Gilford; Tabitha Harrison; Joe Kelly; Charmaine Wise; Breda Sharpe; Richard Sowa; Val Williams; Emma Newton; Charley Lunn; Ursula Koh; Riche Ahearne; Enny Martin; Tony McCoy; Fr John Hartley; Yvonne Perera; Maribel Chambers, Patricia Howlett, Sue Myers, Gloria Conroy, Reef Albert, Liz Leake & Peggy Wheeldon.

SERVICES AT THE SACRED HEART CATERHAM DURING THE CORONAVIRUS EMERGENCY

- The times given below are when the Mass will be 'live'; they will be recorded also, so that Mass may be participated in at any time: to find the recordings, go to <https://www.churchservices.tv/caterham> and scroll down the page to the Watch Videos section. Note that only Mass will be recorded; other services will be for live viewing only.
- Those who visit the sick may not take Holy Communion at this time. Indeed it is strongly suggested that visits should not be made at all, and certainly may not be made on behalf of the parish. However regular telephone calls to the lonely will be very welcome, no doubt.
- The church has to be locked until further notice.
- As Communion cannot be received during this time, you will be invited to make the following Spiritual Communion during Mass:

My Jesus,
believe that you are present in the most holy Sacrament.
I love you above all things, and I desire to receive you into my soul.
Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart.
I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you.
Amen.

- Finally, let's all keep each other, and especially the sick and vulnerable, in our prayers at this time. Stay safe, everyone!

THANK YOU FROM THE SVP

The St Vincent de Paul Society Annual Raffle 2020 has taken place. The Caterham SVP has received the full list of winning ticket numbers along with the local area and it is great to note that there have been winners all over the country, though not in Caterham this time; perhaps we shall be luckier next year! We would like to thank all those parishioners who generously bought tickets. The money raised will go towards helping people who are vulnerable and living in isolation across England and Wales. This fundraiser can only take place with your support.

CHARITY OF THE WEEK

Charities are suffering greatly from the Covid 19 lock down. Each week a charity will have its work and needs described so that we can continue to help in whatever way we can.

Coronavirus: what CAFOD is doing?

How is CAFOD responding to coronavirus?

Coronavirus (Covid-19) has now spread worldwide, with confirmed cases in many countries where CAFOD works. The spread of this virus to countries with poor health systems will be devastating. Families without enough to eat and without access to clean water, possibly living with HIV or other underlying health conditions will be particularly vulnerable to coronavirus. Our programmes around the world are run by local experts and we are in constant touch with them as they plan for how to deal with this crisis. In order to continue protecting and improving the lives of those in poor communities, and your prayers and gifts are needed now more than ever.

Are there concerns about refugee camps? Imagine living in a refugee camp, where it will be nearly impossible to isolate your family from others. If coronavirus hits refugee camps, like the Rohingya camps in Bangladesh's Cox's Bazar or camps for Syrian refugees, it could be catastrophic for the millions of people already struggling to access healthcare there.

What experience does CAFOD have in responding to this sort of crisis?

We worked with local aid experts in fighting the deadly Ebola virus in Sierra Leone and Liberia, and more recently in the Democratic Republic of the Congo. These experts are rooted in their communities - a trusted presence - with exceptional reach and impact, ensuring that marginalised and vulnerable people in communities receive the life-saving hygiene information they need.

Matthew Carter, CAFOD's Director of Humanitarian Response, said: "It is communities, and the role of Church and faith leaders, that is so critical at this time."

The experience of our local networks mean that we can deliver clear and accurate information via trusted faith and traditional leaders, and promote good hygiene practices, which are both key to keeping people safe. These leaders are pivotal in making sure life-saving messages are acted upon and also in breaking down the prejudice that can be shown to sufferers and survivors of a disease. How will CAFOD being a member of Caritas Internationalis help the response?

Caritas Internationalis, the global Church network CAFOD is part of, has a local presence in 165 countries. Together, we make up one of the largest aid networks in the world, with substantial knowledge and expertise in WASH – water, hygiene and sanitation – and disease control. CAFOD holds significant technical expertise in WASH and helps to coordinate Church responses.

Even as part of this global network of local experts, coronavirus risks disrupting our ongoing humanitarian and longer-term development work. Every country team is planning now for the challenges this crisis will demand, but we will make sure that local staff and aid teams on the ground put their safety first in order to continue delivering help where it is needed most.

How can I help?

In prayer: Join us to celebrate evening Mass on Wednesday 29 April with Father Liam Hayes. We also have a virtual votive stand where you can light a candle in prayer for loved ones and make a special donation to our work protecting lives.

With your family: If you have children in your family, please also make an appointment with us every Sunday for our online Children's Liturgy Live.

By campaigning: Sign our new petition to the Prime Minister asking the government to make sure that any solutions they put in place to combat the impacts of Covid-19 help to protect the most vulnerable people here and abroad, and restore our planet for future generations.

With a donation: The vital work you support is needed now more than ever. At a time when others may not be able to, please consider making an Easter gift to support our local experts as they work to protect the lives of vulnerable people in their communities

Infinite power and love

Lord God, we entrust to you the families and communities affected by Coronavirus, wherever they may be.

We pray especially for health care workers, that you may guide and protect them.

We pray that your Spirit might inspire those researching new medicines and treatments.

And in the midst of this, keep us strong in faith, hope and love.

Grant us the courage and perseverance to be good neighbours.

May the words of your Son Jesus Christ in the Our Father, be our prayer as we entrust ourselves and all of us who are affected to your infinite power and love.

Amen.
