SPIRITUAL COMMUNION DURING MASS:

My Jesus, I believe that you are present in the
most holy Sacrament.

I love you above all things, and I desire to
receive you into my soul.

Since I cannot at this moment receive you
sacramentally, come at least spiritually into my
heart.

I embrace you as if you were already there and
unite myself wholly to you. Never permit me to
be separated from you.

Amen.

PARISH SHOP

Christmas is coming and there are cards and gifts available in the shop. Is it time to a new crib? Volunteers are also needed. Can you help for half an hour once a month? It would be a great help. Just pop into the shop and leave your details. See you there!

PACT: OPERATION ELF

Bishop Richard writes: 'In the last part of this difficult year, we can begin to look forward to the celebration of the birth of Christ at Christmas. For those families where a parent is in prison, Christmas can be a particularly painful time. Through Pact's Operation Elf, parishes and individuals can support prisoners to give a gift to their child, sharing a little love and joy and strengthening the family bond. This simple act can nurture the hope that redemption and a fresh start is possible.' Register at parishaction@prisonersadvice.org.uk, buy a Gift card with the value of £10, and post to PACT. Full guidance and details at www.prisonadvice.org.uk

Thank you.

SVP - KNITTING CLUB

The St Vincent de Paul Society Knitting Club will be meeting in St Thomas's Hall on Monday 15th November from 2pm to 4pm. We warmly invite our knitters to join us and would be delighted to welcome new members to knit for charity. There are a number of projects to choose from to accommodate knitters of all levels, including beginners. At present we are completing a large request for pullovers and cardigans for Christmas for the Sisters of Charity at Bravington Rd in London, scarves and hats for the SVP Christmas bags for the homeless and squares for blankets. We have knitting patterns, knitting needles and wool but always welcome donations. We would like to thank all those parishioners who kindly donated wool after our recent appeal.

Come along and share your skills, knitting for a good cause as well as enjoying a sociable afternoon with a cup of tea and some homemade cake. If you are unable to join us but would like to knit from home, please get in touch as we have a number of knitters who support us in this manner. For any queries please contact Sandy Baron on 0208 763 2144.

The Knitting Club will follow the Covid precautions currently in place in the Parish.

NEWS FROM THE 5TH CATERHAM (SACRED HEART) SCOUT GROUP

The 5th Caterham Scout Group is an integral part of the Sacred Heart Parish community, and we are very grateful for the support that the parish has always given us. Our young people – both boys and girls – come mostly from within our parish, and, as highlighted at our recent AGM, we rely on that same community for leaders (which we urgently need) and helpers.

All three sections of the group have tried to keep going over the last couple of years. Lockdown was not easy for anyone, and younger children were happier to meet online than the older ones. However, during the Summer Term we were at last able to meet outside (weather permitting!) and we thought you would like to know what we have been up to since that time. The Beavers (6 - 8 years) had great fun working for their gardening badge, and planting different seeds which they watched grow at home, and continuing the natural theme, everyone went on a nature walk along Happy Valley – not once, but twice! The second time was a mini-beast hunt. The Health and Fitness Badge surprised some people when they considered which foods were good for you (and which ones were not so good – too many sweets, perhaps?)

In September, and the nights started to draw in, the Beavers became builders and inventors, followed by a craft evening (more building and problem-solving!) and the first part of the cook's badge.

While Audrey Dunne is the driving force behind the Beavers, she could not have managed without the help and support of the Beaver parents. We do need another Beaver Leader, however, - a chance of you to make a real difference to our children's lives!

Like the Beavers, the Cubs (8 – 10 years) managed an exciting and active outdoor programme last term. This included a bike ride at Kenley Aerodrome, and completing the Athletics Badge in Queen's Park. They also managed a 'virtual camp': two days of activity at Roverdene, but going home overnight.

Although this term started indoors with a Lego challenge for the older Cubs, the Happy Valley hike was enjoyed by everyone. The Disability Awareness badge was quite a challenge, but the Scientist Activity Award which involved making and launching rockets and making compasses was great fun! The half term ended with guy-making for fireworks night. The Scouts (10 – 14 years) also met in Queen's Park when they were allowed. They worked on stages one and two of the Navigator Badge, exploring the area round Queen's Park, drawing their own sketch maps, and finishing with hikes around Caterham, following maps and directions. They also joined with two other Scout Groups at Roverdene, first for an 'Activity Evening' with a rope trail, bungee challenge, catapults and giant Jenga. They also took part in a 'Wide Game' (an opportunity to chase each other round the woods) also with the other groups, and finished the term at Roverdene cooking 'backwoods' pizzas and chocolate bananas. With the new term, came new opportunities especially now that the hall could be used. They were lucky to have an experienced First-Aider who came with Resusci Annes and a training defibrillator to teach CPR and go through some of the Emergency Aid Badge. Meeting out of the Hall is not always easy in the Winter, but an adapted (and shortened) quiz from the Caterham Festival took then out on an interesting and challenging trail through Caterham.

Again, the help given by Scout parents has been invaluable and greatly appreciated. However, the troop is in desperate need of regular help or another Scouter. If you could help on a regular basis, or would like to give something back to our community, then please speak to one of the scouters or ring the parish office.
