MARY'S MEALS

A message from Marie Doyle - Director at Mary's Meals UK

"Thank you so much for your precious gift of £2,139.55, which is helping us to transform the lives of hungry children through our Sponsor A School project. By sponsoring Mwandakwisano, you are helping to bring food, joy and hope to so many children. The promise of a daily school meal will attract children into the classroom, where they can gain an education that can be their ladder out of poverty. For children like Gabriel, 14, who lives in the Mambwe district of Zambia, grinding hunger resulted in low school attendance. However, the introduction of the feeding programme means that he is now fuelled with enough energy to concentrate on his learning.

In supporting our Sponsor A School project, you are enabling children like Gabriel and his classmates to fulfil their potential and build a brighter future.

As well as helping hungry children, your sponsorship will bring a positive change to communities that need your support. Thank you for your incredible kindness and commitment to making a real and long-lasting difference to not just a school, but a whole community."
